## THE PRESIDENT'S CORNER

Happy New Year!

It is hard to believe that we are starting out a New Year. Our Club had a tremendous 2011. Our membership has grown and is still growing. It seems we have more and more carvers coming out all the time who are interested in joining our club. Our Wednesday night workshops and various Seminars have continued to evolve into an excellent educational program. Adding to that, recently the Mauldin Cultural Center started a visual arts program and has asked some of our carvers to teach woodcarving

classes. John Moore has agreed to teach Basic Relief Carving on each Tuesday evening at 6 p.m. starting February 7<sup>th</sup> through February 28<sup>th</sup>. Please come out and support this program. Also we have expanded our carving dates to include Thursday evenings; this is to accommodate our members that are unable to attend the Wednesday night carving. Dottie Pittman and Jack Carter are heading it up, and have invited all members that are interested to come out and join them. Under the leadership of our Vice President Nathan Widner, our Annual woodcarving show( Sculptures and Designs in Wood) created new excitement and participation in the shows activities.

I do believe that our club will have a great 2012. It is good to see so many members stepping up to volunteer and take part in our club's leadership.

I would like to take this time to thank each of our members for supporting me as the President of the Piedmont Woodcarvers Club. My term of office is drawing to a close and now I will be acting as a Past President for 2012. It has been a real privilege to serve as your President! Our carving club is very important to me, therefore I am looking forward to its continued growth and development.

There will be a special meeting January 21, 2012 at 11am it is combined with our January business meeting. This will be an important meeting for the purpose of electing Officers to the PWCC Board of directors. Please make plans to attend this important meeting.

We will need to renew our membership before the date of the business meeting. Please keep in mind that we must have our membership dues paid up to date to be able to vote. When renewing your membership please fill out the membership renewal form. Membership forms are available at the club, or you can download one from our website: [www.piedmontwoodcarvers.com](http://www.piedmontwoodcarvers.com)

Below is list of Members that have volunteered to serve on the board for 2012. Thanks to each of you for your willingness to serve our club.

Also I would like to thank Jim Sullivan and Mark Hoosier for serving on the Board of Directors, and for your services to our club.

To a prosperous and joyful New Year,

~Dave Sikkelee~

## EDUCATIONAL OPPORTUNITIES

I have attached information of the upcoming 2012 Art classes Sponsored by the Mauldin Cultural Center. I feel very privileged that George McLeer has included our club as part of their new program.

Please note that John Moore will be teaching BASIC RELIEF CARVING

Many members in our club have express an interest in learning John's woodcarving skills. This Class will serve in 3 ways:

- Give us excellent wood carving skill.
